

SPANISH III HONORS SUMMER WORK
Sra. Smithson

Hello and welcome to Spanish III Honors! This packet is designed to make sure that you practice some of the important grammar elements from Spanish II Honors over the summer to be ready for Spanish III honors. **All of the following grammar exercises must be printed out from the websites and completed in pen or pencil to receive credit.** You do not have to complete the suggested writing exercises at the end of some online exercises with studyspanish.com. Grammar exercises should be checked for correctness against an answer key, if possible. If you have difficulty with the sites, try copy and pasting them in the browser instead of simply clicking on the link. Bring these exercises to the first day of class in August. If you have any questions or concerns, the work is located on my website along with an email address where I can be contacted.
